PHOTOS MAY SHOW OPTIONAL EQUIPMENT

The Boomtendr™ Quick Rig Sailing System on the Legacy is as easy as 1, 2, 3.

1.) Stand up the mast (sail and boom are on at all times)

2.) Hook up the headstay (all shrouds are preadjusted)

3.) Lower the boom into position.

You are ready to go sailing.

The interior comes standard with carpet on the seating areas as shown in the photo without the deck on. If you wish to sleep on board we offer vinyl cushions with one filler. And additional option is the filler that makes the entire interior a bunk.
